GUESTS, Jim Devellis

Jim had a follow-up discussion with John from ADCOM, they are still concerned about the mandatory reporting and it's penalties if a reporter does not report. He would like the committee to attend the next ADCOM meeting on Wednesday, December 9th to answer their questions. Lynda will attend the meeting, Vicki may be able to attend, others have previous commitments.

Jim mentioned that it may be helpful for the ADCOM members to take the on-line training so they have a better understanding of exactly what the training is and how helpful it can be. Rob Lucas will send Deb the link to the online training so she can get to the ADCOM Chairman to send to the members.

Jim also has been intouch with Jetta Bernee from ENOUGH, a woman several of us met during the event in Framingham. She would like to attend one of our meetings to discuss what that group is doing and to hear about our accomplishments. Jim said, he'd shoot for our January 7th meeting.

Deb will speak with MaryBeth about training, retraining, the tracking of individuals as well as the awareness procedures that need to be written for the employee handbook.

Bill mentioned that Meg Nelson, one of our trainers has offered to create our facebook page. Deb noted that she feels it should be a committee member who takes on the administration of that page. Lynda offered to maintain once the page is built.

Deb passed out the draft of this year's annual report to the selectmen. A few additions were made and Vicki moved to approve the annual report, seconded by Rob, motion approved 5-0. Deb will send out the final to all members once updated.
